

### **GMAT (Graduate Management Admission Test)**

The GMAT is one requirement to start your studies at HHL and should, if possible, be submitted together with the application. HHL does not demand a minimum GMAT score for admission into the program; on the other hand is a high GMAT score no guarantee for admission to the M.Sc. program at HHL. We strongly recommend scoring at least 600 points in the test since the GMAT score is important for the placement with a partner university for the compulsory term abroad.

Further information and registration: <http://www.mba.com>

Preparation courses for the GMAT test are provided regularly at HHL. There, participants have the opportunity to receive an introductory training by a professional GMAT trainer. The charge for the preparation course is 100 Euro. If HHL admits the candidate into the program and the student starts his/her studies at HHL, the 100 Euro charge for participating in the course will be reimbursed through HHL's Accounting Office.

Please see <http://www.hhl.de/events> for scheduled courses or sign up via <http://study.hhl.de>

### **GRE (Graduate Record Examinations)**

In case there is no GMAT test center available in your country, you can take the GRE test.

Further information and registration: <http://www.ets.org/gre/>

### **TOEFL (Test of English as a foreign language)**

Sufficient English knowledge has to be shown via the TOEFL. You have to present a valid score before the start of studies at HHL. A minimum score is not demand but a score of 100 is recommended.

Further information and registration: <http://www.toefl.org>

### **Institution Codes for HHL**

GMAT: ZCB-P6-03

GRE: 4061

TOEFL: 0404

Registration, preparation and test taking should be planned in the long run as test slots fill quickly.
