“Only together can we master the future!”

…A group of young Leipzig merchants came to this conclusion in 1278 and established the Kramerinnung (merchants’ guild) following this principle.

History

_ 1278 The Kramerinnung, the merchants’ guild, is established by young Leipzig tradespeople who influenced the economic region in a sustainable manner.
_ 1887 End of the Leipzig Kramerinnung. Its assets are transferred to the recently founded Leipzig Chamber of Commerce.
_ 1887 Establishment of Kramerstiftung using the assets of the dissolved Kramerinnung. The sole aim is to promote the training of tradespeople in the Leipzig region.
_ 1927 The foundation is dissolved due to the Great Depression.
_ 1991 Re-establishment of Kramerstiftung by the Leipzig Chamber of Commerce and Industry.
_ 2017 The historical Kramerstiftung becomes HHL Foundation.

The fundamental idea of the foundation has always remained the same: The economy can only be as strong as the entrepreneurial offspring it produces.

The HHL Foundation therefore pursues the sole aim of supporting HHL Leipzig Graduate School of Management. In doing so, it contributes in a major way to securing the future of HHL.

GOAL

The goal of the HHL Foundation is to raise capital for HHL on a sustainable basis and therefore to support students, chairs as well as the school’s infrastructure.

Funding Proposals

_ Endowment chairs
_ Supporting HHL investment projects
_ Sponsoring scholarships for HHL students

Benefits for Donors
