

Employment Report 2018: Master in Management (M.Sc.)

From the very first moment of your studies, the experienced team of the HHL Career Service closely accompanies your individual, long-term career progress.

Through intensive and systematic dialogue you will be enabled to start a rewarding career – characterized by success as well as personal fulfillment. With our global network we provide you with access to the most attractive employers and offer you the very best chances to succeed in your professional life.

What we offer you

 <p>Prestigious company network direct access to top recruiters</p>	 <p>Career strategy building up with a system</p>	 <p>Career development from the very first day</p>
 <p>Strong network of alumni and top coaches function as mentors</p>	 <p>Individual coaching to promote different personalities</p>	 <p>Lifelong support to step up your career ladder</p>

A member of the recruiting team of Volkswagen Consulting saw my profile in the HHL's resume book and invited me for an interview. During the interview I used the knowledge I gained from my M.Sc. classes to solve various case studies and to make a presentation on an issue connected to the automotive industry. On the same day of the interview, I received the message that I got the job.
