

Employment Report 2020: Part-Time MBA Program

Graduates of the part-time MBA at HHL generate a salary increase averaging 50 percent after completing their studies.

The HHL footprint is a strategic, visionary, and very ethical approach to business that was the basis for the extraordinary development of my career and company. Doing the MBA program was the best investment I ever made. It gave me an extra boost of confidence in what I do, structured and enriched my knowledge and organizational skills, and inspired me with new insights from other colleagues. To sum it up: HHL made me excel!

At HHL, I realized that there are three levels we learn on in our MBA studies: first, the contents of the lectures; second, the experiences of fellow students, which we share in our discussions; and third, that you learn a lot about yourself. By constantly pushing yourself as close as possible to your performance limits, you learn a great deal about how you deal with stress and how to set the right priorities and find your purpose.
