LEIPZIG
GRADUATE SCHOOL
OF MANAGEMENT

Safety Instructions & Hygiene Rules:

- Right after entering the event venue, disinfecting your hands is mandatory. Necessary disinfectant dispensers will be provided by HYPERION Hotel Leipzig.
- Please try to hold a minimum distance of 1.5m between yourself and other participants inside and outside of the event location.
- In principle, it is possible to keep the minimum distance in the event location. In case it is not possible or there should be any other circumstances you have to wear a mask. Please bring a mask with you.
- Please note that only 2 persons are allowed to use the lift at the same time. If this distance cannot be maintained, wearing a mask is mandatory.
- Please follow the seating arrangements in the event room.

Our safety instructions and hygiene rules comply with the SächsCoronaSchVO of Saxonian Government as of 24th August 2021. We will inform you via e-mail of any updates.

Our hygiene concept remains the same even if the Saxon state regulations changes and get less restrictive for events.
