Career Progress After Graduation

Studying the part-time M.Sc. program at HHL enabled me to both prepare for future challenges by deepening my academic knowledge but also to actively accelerate my professional career at the same time. HHL's uniquely lived spirit and alumni network not only brought me a lot of true new friends and valuable network, but in combination with the personally suited career service, they enable me to always stay on the edge of professional development in the future.

Julian E. Haase, Part-time M.Sc. Student, Strategy Consultant at ING

“
Studying at HHL enabled me to look way beyond my previous work experiences. HHL's part-time M.Sc. program was the perfect way to connect with fellow motivated young professionals, alumni and the career service team. Various meetings with HHL's career service and calls with alumni optimally prepared me for my applications and interviews at management consulting firms.
