

HHL Dean's List Scholarship supported by the HHL Alumni Association e.V.

Educating effective, responsible and entrepreneurial business leaders through excellence in teaching, research, and practice.

The Master in Management program at HHL is an important step for your future career and personal development. We aim for the highest standards. And we want students to aim for their ideas at their best. HHL's Dean, **Prof. Dr. Tobias Dauth**, is personally invested in shaping tomorrow's most promising talents.

The **HHL Alumni Association** funds one Deans List Scholarship per year and thus contributes significantly to the promotion of excellence at HHL. The candidate will be personally selected by the HHL dean as well as a representative of the alumni association to be a member of the exclusive Dean's List.

Our Dean's List candidates are highly talented students and HHL ambassadors. We are proud to offer this scholarship to outstanding individuals and networking enthusiasts.

Prof. Dr. Tobias Dauth
Dean, HHL Leipzig Graduate School of Management

The fortunate members of the Dean's List receive a partial scholarship that covers half of the tuition fees for the Master program. Along with the scholarship offer, recipients receive an official scholarship certificate together with an invitation for a personal first meeting with **Prof. Dr. Tobias Dauth** during our annual welcome weeks at HHL. Additionally, recipients will be invited to a yearly dinner with our Dean. You will also become part of our unique alumni community before you graduate, acting as a link between HHL's student body and the HHL Alumni Association. With this you will gain access to a wide range of professional opportunities and connections that will enhance your career prospects.

The following criteria can increase your chances of impressing our Dean:

- _ Distinguished academic performance
- _ Impressive professional progression
- _ Remarkable international experience
- _ Visible dedication to social causes or community development
- _ Outstanding admission interview with HHL professor
- _ GMAT score of at least 700 / HHL Entry Test of at least 17 points
- _ Demonstrated alignment with HHL values

The application deadline is June 30th of each year. Please hand in your scholarship application along with your program application to your responsible Manager Student Affairs at HHL. Your program application is the basis of a successful scholarship application.

The scholarship application must include a max. 90-second pitch video where you answer the following question: **As a Dean's List scholarship holder, what do you plan to give back to the HHL community during your studies and beyond?**

After the application deadline, the admission committees will do a preselection of eligible candidates. Chosen candidates will receive an invitation to a virtual selection interview with Dean Prof. Dr. Tobias Dauth. Once all interviews have taken place, the final decision will be communicated to the candidates by the respective Manager Student Affairs and the scholarship certificate as well as financial agreement will be sent out.

We at HHL wish you the best of luck in your application and hope to welcome you to the Dean's List circle!

Read what former students say about the HHL Dean's List Scholarship and how it helped them succeed both academically as well as professionally:

Receiving the Dean's List Scholarship has aided me in multiple ways. For one, it served as a motivator to perform at my best throughout my studies. The financial freedom allowed me to focus solely on my career and academic performance. Finally, it has been a lever in placing at a top tier consulting firm and allowed me to network with professors and senior representatives from the business world.

David Muuß – Dean's List recipient 2020

Receiving the Dean's List Scholarship has been a great honour during my studies. Not only the large financial contribution, but also extracurriculars like attending the Dean's Dinner and helping create the HHL Dean's List community have shaped my study experience positively. Without it, I would not have achieved what I did, and I am very grateful to HHL and Stephan Stubner for this opportunity.

Pauline Sofie Thill – Dean's List recipient 2019
