GdF Scholarship for Women in Business

Supported by the Gesellschaft der Freunde der HHL e.V. (Friends of HHL)

"Friends of HHL" is an association that unites HHL shareholders and serves as a hub for HHL entrepreneurs to stay in touch with HHL and the ecosystem around it. Their goal is to support HHL and its circle of founders in order to strengthen the network of entrepreneurs.

With the **GdF Scholarship for Women in Business** the association would like to support excellent female candidates of all national backgrounds who present strong motivation and outstanding professional and academic credentials and who are willing to become active members of the HHL community. The scholarships will also support HHL's goal of achieving a truly heterogeneous class. The successful candidate will receive a **tuition reduction of EUR 7,500.**
