OF MANAGEMENT

PD Dr. André Casajus

Research Fellow Chair of Economics and Information Systems

HHL Leipzig Graduate School of Management
Jahnallee 59, 04109 Leipzig, Germany

T +49 341 9851-843
F +49 341 9851-846
andre.casajus@hhl.de

Academic Education

- 2007 Habilitation in Economics, University of Leipzig, Leipzig, Germany
- 2000-2006 M.Sc. in Mathematics, University of Hagen, Hagen, Germany
- 1994-2000 Doctorate in Economics, University of Leipzig, Leipzig, Germany
- 1993-1995 Economics, University of Frankfurt (Oder), Frankfurt (Oder), Germany
- 1987-1992 M.Sc. in Economics, College of Economics and Business Administration, Berlin, Germany

Professional Experience

- since 2013 Research Fellow, Chair of Economics and Information Systems, HHL Leipzig Graduate School of Management, Leipzig, Germany
- since 2007 Private Lecturer, Chair of Microeconomics, University of Leipzig, Leipzig, Germany
- 2011-2012 Research Fellow, Chair of Economics and Information Systems, HHL Leipzig Graduate School of Management, Leipzig, Germany
- 2009-2011 Interim Chairholder Mathematical Economics, IMW Institute of Mathematical Economics, Bielefeld University, Bielefeld, Germany
- 2007-2008 TeX typesetter, le-tex publishing services GmbH, Leipzig, Germany
- 2007-2007 Guest Lecturer, HHL Leipzig Graduate School of Management, Leipzig, Germany
- 2005-2007 Research Associate, Chair of Microeconomics, University of Leipzig, Leipzig, Germany
- 2004-2005 Visiting Research Fellow, School of Economics, University of East Anglia, Norwich, UK
- 2001-2004 Research Associate, Chair of Microeconomics, University of Leipzig, Leipzig, Germany
- 2000-2001 Research Associate, Institute of Agricultural Policy and Agricultural Markets, University of Hohenheim, Stuttgart-Hohenheim, Germany
- 1999-1999 Private Scholar, Leipzig, Leipzig, Germany
- 1994-1999 Research Associate, Chair of Microeconomics, University of Leipzig, Leipzig, Germany

HHL

LEIPZIG
GRADUATE SCHOOL
OF MANAGEMENT

Research Interests

- Game theory
- Theory of bounded rationality
- Law and economics

Publications

Research Monographs

- André Casajus: Beyond Basic Structures in Game Theory, Habilitation thesis, University of Leipzig, Germany, 2007.
- André Casajus: Focal Points in Framed Games (Lecture Notes in Economics and Mathematical Systems 499), Springer, Berlin et al., 2001 (also Doctoral thesis, University of Leipzig, Germany, 2000).

Peer Reviewed Journal Articles

- André Casajus and Frank Huettner: On a class of solidarity values, in: European Journal of Operational Research, forthcoming.
- André Casajus: The Shapley value without efficiency and additivity, in: Mathematical Social Sciences, forthcoming.
- André Casajus: Collusion, quarrel, and the Banzhaf value, in: International Journal of Game Theory, forthcoming.
- André Casajus and Frank Huettner: Null, nullifying, or dummifying players: The difference between the Shapley value, the equal division value, and the equal surplus division value, in: Economics Letters, 122 (2014) 2, 167-169.
- André Casajus and Andreas Tadic: Nash bargaining, Shapley threats, and outside options, in: Mathematical Social Sciences, 66 (2013), 262-267.
- André Casajus and Frank Huettner: Null players, solidarity, and the egalitarian Shapley values, in: Journal of Mathematical Economics, 49 (2013), 58-61.
- André Casajus: Amalgamating players, symmetry, and the Banzhaf value, in: International Journal of Game Theory, 41 (2012) 3, 497-515.
- André Casajus: Marginality, differential marginality, and the Banzhaf value, in: Theory and Decision, 71 (2011) 3, 365-372.
- André Casajus: Differential marginality, van den Brink fairness, and the Shapley value, in: Theory and Decision, 71 (2011) 2, 163-174.
