

BOOST YOUR CAREER BY JOINING OUR PRE-PROGRAM GERMAN COURSE & OPTIONAL GERMAN COURSES THROUGHOUT THE STUDY PROGRAM

At HHL Leipzig Graduate School of Management we want to support our students to make the most out of their experience with us, also by offering German courses at all levels, including pre-program German course for beginners.

It's a fact that the better the language skills, the greater the chance to find the right job will be. Learning German will not only allow you to communicate in a more fluent way but will also potentially increase your job opportunities in Germany. It will also bring you:

- ✓ More professional choices.
- ✓ Easier day-to-day life.
- ✓ Better communication with locals.

The course is offered in a blocked 3-week format which allows you to concentrate solely on studying German without having the pressure to attend regular courses as part of your MBA or M.Sc. Program. If you already have German knowledge, you can skip the intensive course and continue with the optional German courses during your studies at HHL.
